DATA SHEET - PLASTIC MORTAR SKIP

Concrete buckets

Plastic mortar skip

Hand and crane liftable plastic mortar tub

The plastic mortar tub provides a practical and sturdy solution for transporting concrete and similar materials on-site. Constructed with highly impact-resistant plastic, this model can be easily carried by one person when empty. Once filled, the mortar tub can be lifted by a crane using two chains, ensuring safe and efficient transport. The product is built and tested in compliance with strict UNI EN ISO 12100, UNI EN 13854, ISO 8686, UNI EN 10027, and UNI EN 10204 standards. Each product is accompanied by a metal ID plate, certificate of conformity, and user manual to ensure proper use over time. Furthermore, all our products are covered by a one-year warranty, in accordance with the European Directive.
